All services provided by Rotex are business-to-business (B2B) services intended for businesses, licensed financial institutions, and corporate clients.

## 3. No Legal, Financial, or Investment Advice

Information available on this website, including articles, guides, blogs, calculators, case studies, and educational materials, is provided solely for informational purposes and should not be considered legal, financial, regulatory, tax, investment, or professional advice.

Users should obtain independent professional advice before making business, legal, regulatory, or financial decisions.

## **4. Third-Party Providers**

Rotex may introduce clients to third-party service providers, including technology vendors, hosting providers, payment solution providers, liquidity providers, software vendors, regulatory consultants, and other business partners.

Rotex is not responsible for the services, actions, performance, compliance, or obligations of any third-party provider.

Any agreement entered into with a third party is solely between the client and the respective provider.

## **5. Regulatory Responsibility**

Clients remain solely responsible for ensuring compliance with all applicable laws, regulations, licensing requirements, and regulatory obligations within their operating jurisdictions.

Rotex does not guarantee regulatory approvals, licenses, banking relationships, payment provider approvals, platform approvals, or business outcomes.

## **6. Website Content**

References to brokerage businesses, trading platforms, liquidity providers, payment solutions, financial technology, licensing, or related industries are provided solely to describe the consulting, technology, and support services offered by Rotex.

Such references do not constitute an offer of financial services or solicitation of investment activity.

## **7. Limitation of Liability**

To the fullest extent permitted by law, Rotex shall not be liable for any direct, indirect, incidental, consequential, special, or punitive damages arising from:

- Use of this website
- Reliance on website content
- Business decisions made by users
- Third-party services or providers
- Technical interruptions or website unavailability
